# Design For Recycling
## GUIDELINES for packaging

CIRCPACK
*by* VEOLIA

## Material:

- PET bottle
- PET thermoform
- PP rigid
- PP flexible
- PE rigid
- PE flexible
- PS
- Paper & cardboard
- Beverage carton
- Glass
- Steel
- **Aluminium**

| | Yes - Full compatibility | Conditional - Limited compatibility | No - Low (or no) compatibility |
|---|---|---|---|
| Main Material | Aluminium | Aluminium with other metals <5%wt<br>Plastic <20%wt | Other metals >5%wt (e.g. steel, stainless steel, copper, lead...)<br>Plastic > 20%wt |
| Size | Size > 45mm | Size <45mm | Size <20mm |
| Closure Systems | Aluminium | Plastic<br>Ferrous Metals | |
| Labels and Adhesives | Paper Labels | Plastic Label | |
| Inks | | | Toxic inks (EuPIA list) |
| Direct Printing | Laser engraving and direct printing | | |
| Other Components | | | Residues that limit sorting<br>Product residues not allowed in the collection system<br>Magnetic components |
